KC-300D/KC-300DM Certified with New CE/EMC Standards

2010.3.25

Since validity of some CE/EMC standard versions has expired, with which KC-300D and KC-300DM series were certified to be compliant, both media converter series were tested with complete set of the latest standards again recently. Both products are tested and certified to fully comply with the following standard versions:

EMI

EN55022:2006 + A1:2007	CISPR22:2006 Class B
EN61000-3-2:2006	IEC61000-3-2:2005
EN61000-3-3:1995 + A1:2001 + A2:2005	IEC61000-3-3:1994 + A1:2001 + A2:2005

EMS

EN55024:1998 + A1:2001 + A2:2003	CISPR24:1997
EN61000-4-2:2001	IEC61000-4-2:2001
EN61000-4-3:2002 + A1:2002	IEC61000-4-3:2002 + A1:2002
EN61000-4-4:2004	IEC61000-4-4:2004
EN61000-4-5:2001	IEC61000-4-5:2001
EN61000-4-6:2003	IEC61000-4-6:2003
EN61000-4-8:2001	IEC61000-4-8:2001
EN61000-4-11:2001	IEC61000-4-11:2001

To offer quality products, KTI will continue maintaining products fully compliant with the latest international standard.
