

KCD-303P-A / KCD-303P-B

*Industrial 3-Port Fast Ethernet POF
Media Converter Switches*

Specifications

KCD-303P-A	2 copper ports and 1 POF port
KCD-303P-B	1 copper port and 2 POF ports

Copper Port

- 10/100 Mbps RJ-45 support
- Auto-negotiation, Auto-MDI/MDI-X
- 802.3x flow control

POF Port

- 100 Mbps full duplex
- 1.5mm or 2.2mm POF cable support
- 50 meters typical distance

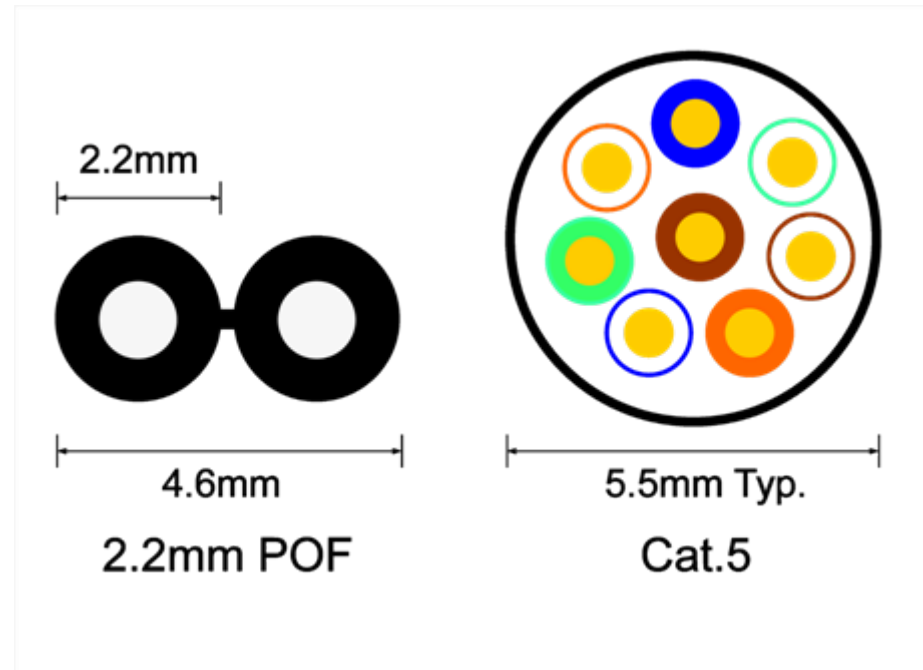

* Operating Temperature 0 ~ +70°C

* Industrial-rated EMC

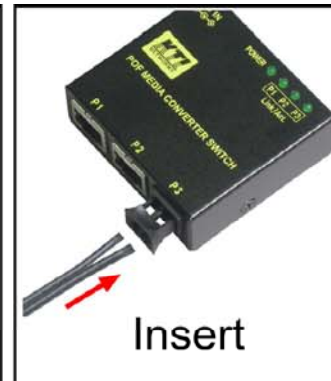

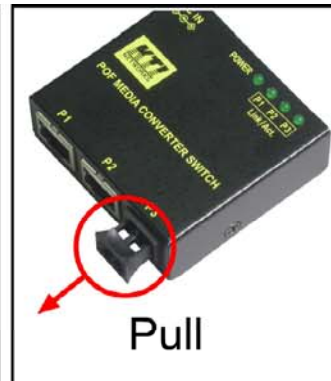

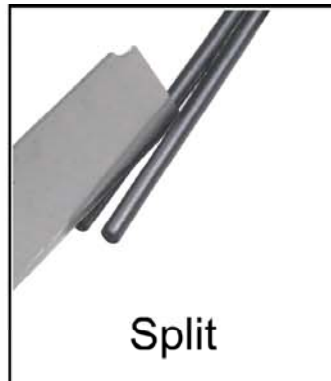

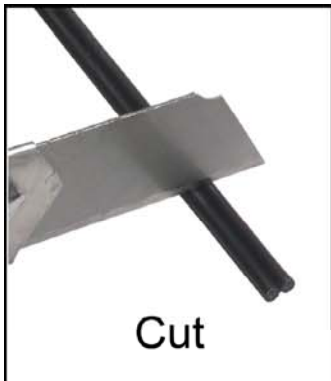

Advantage 1: POF Cables

Benefits

- Low cost
- Weight little
- Thin, but rugged
- Home friendly
- Easy to install
- Save to install
- Electronic noise immunity
- 1.5mm/2.2mm support

Advantage 2: Easy POF Installation

Benefit 1: Power Interfaces

DC power input from Power adapter

DC power input via USB connection

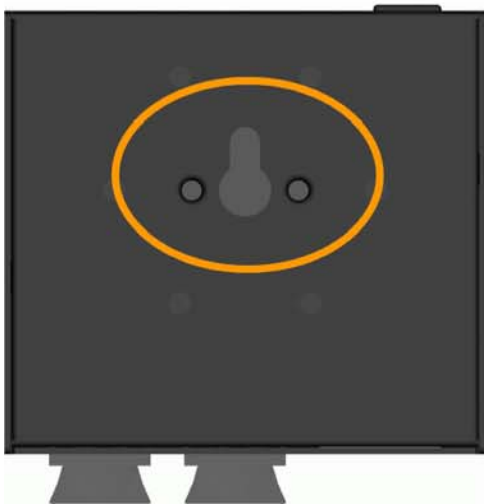

Power options :

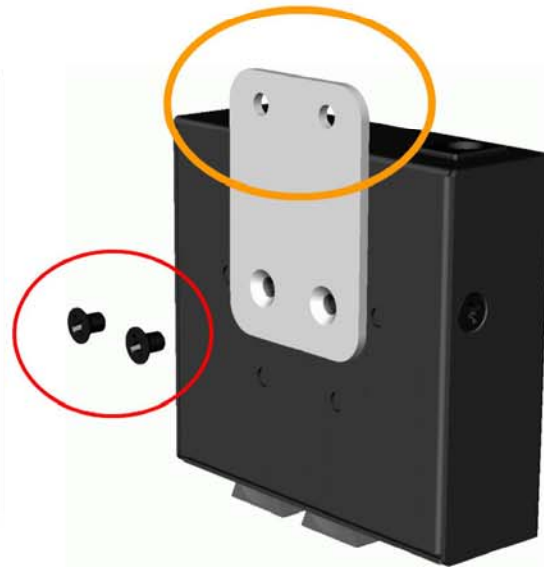

- Commercial type : 0 ~ 40°C
- High temperature rating type : -10 ~ 60°C

Benefit 2: Mounting Flexibility

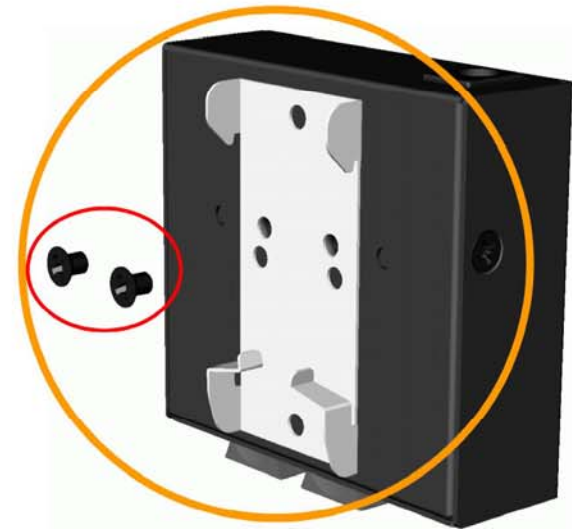

Wall Mounting

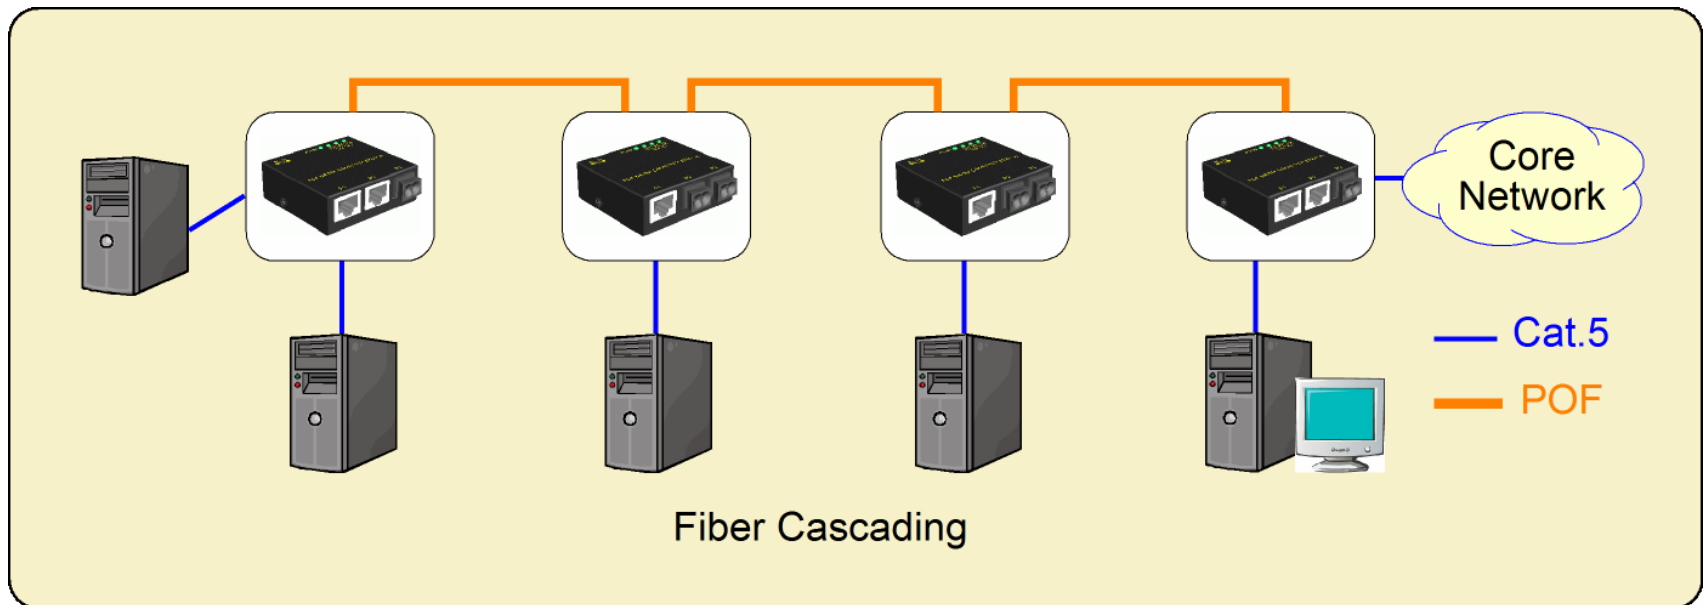

Panel Mounting

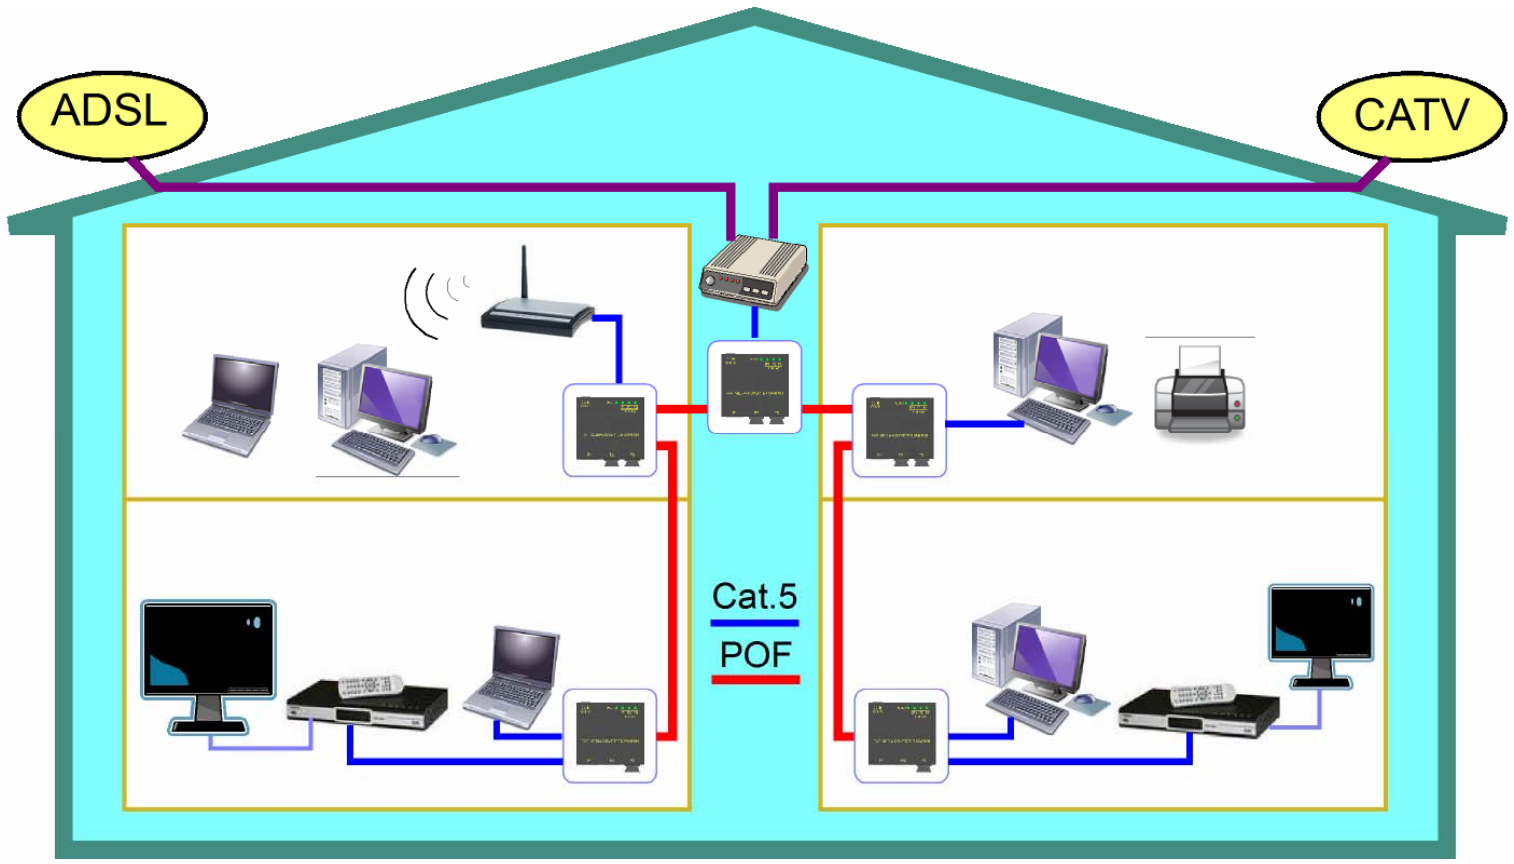

Din-Rail Mounting

Application 1: Industrial Networks

Application 2: Home Network

Application 3: Media Converter
