

Application Note
DIN-Rail Mounting Support with Optional KC-4DR Bracket
 2009/05/21

The following KTI products support DIN-Rail mounting with KC-4DR bracket.

Model	Product Description	KC-4DR
KGS-612F	Web Smart 6-Port Gigabit Ethernet Switch with 3 SFP Ports	Optional
KGS-810F	Web Smart 8-Port Gigabit Ethernet Switch with 1 SFP Slots	Optional
KCD-303P-A	Industrial 3-Port Fast Ethernet POF Media Converter Switches (1 Fiber and 2 Coppers)	Optional
KCD-303P-B	Industrial 3-Port Fast Ethernet POF Media Converter Switches (2 Fibers and 1 Copper)	Optional
KSD-541	Industrial 5-Port Fast Ethernet Switches with SFP Slot	Standard
KSD-541-P	Industrial 5-Port Fast Ethernet Switches with SFP Slot and 4 PoE PSE Ports	Standard
KGD-600	Industrial Managed 5-Port Gigabit Ethernet Switch with 1 mini-GBIC Port	Standard
KGD-802	Industrial 8-Port Gigabit Ethernet Switches with 2 SFP Slots	Standard
KGD-802-P	Industrial 8-Port Gigabit Ethernet Switches with 2 SFP Slots and 4 PoE PSE Ports	Standard
KSD-800	Industrial 8-Port Fast Ethernet Switches with Fiber Connectivity	Standard
KSD-800M	Industrial Managed 8-port Fast Ethernet Switches with Fiber Connectivity	Standard
KSD-103-A	Industrial 3-Port Fast Ethernet Media Converter Switches (1 Fiber and 2 Coppers)	Standard
KSD-103-B	Industrial 3-Port Fast Ethernet Media Converter Switches (2 Fibers and 1 Copper)	Standard
KCD-400	Industrial 1000Base-T to 1000Base-X Gigabit Media Converters	Standard
KSC-200	Industrial Optically Isolated Serial RS-232 to Fiber Converter	Standard
KSC-240	Industrial Optically Isolated RS-232 to RS-485/422 Converter	Standard

Example: Mounting KC-4DR on the KCD-400
